3. [REDACTED] Received a call from David Ianucci, in the office of Senator Alan Cranston (D., Calif.), who inquired as to the status of a Freedom of Information request from a constituent, Darryl Skrabak. After checking, I called Ianucci back and explained that the spelling of the constituent's name had been given to us previously as Skralock. Ianucci said this was in error and understood that this in effect would become a new case since all checks would have to be re-run under the corrected name. The Freedom of Information Coordinator was alerted to this.
